Leadership Experience and Goals

The following information will be used to assist in matching mentors/mentees on the basis of specifically defined leadership and professional development goals.

Please provide a brief list/summary of your leadership experience.

Please identify the key challenges you foresee in your role or goals you would like to address in the initial phase (twelve month period) of the mentoring relationship.

Briefly outline any other specific short or long term outcomes that you would hope to achieve, including whether you would like to participate in a shadowing program.

Modes of Communication

Please outline your preferred methods for primary mentor/mentee communication:

- Email Telephone Face to face meetings

Would you be willing/able to travel to meet your mentor if required?

Note: It is advisable that at least the first meeting take place face to face.

- Yes No

Please specify any other further issues that should be taken into consideration.
